OBJECTIVE

With my passion, determination, compassionate heart, and leadership skills I am looking forward to obtaining the steps to become a child life professional. I am a self-motivated, team player with strong organizational and interpersonal skills.

EXPERIENCE

SUBSTITUTE TEACHER

ISD #595. East Grand Forks, MN | 2022 - Present

Working as a substitute teacher has allowed me to gain experience working alongside children in grades K-12. Teaching and tailoring the lesson plans to meet each child individual needs is a tool that I feel is preparing me for my future career.

CHILDCARE WORKER

Great Expectations. East Grand Forks, Mn | 2020 - Present

Working as the lead infant and school-age teacher at this childcare facility has allowed me to practice developmental activities to keep the children active and engaged. As well as keeping records of behavior, growth, and development has allowed me to track progress and growth aided to my education.

EDUCATION

MASTERS IN CHILD LIFE

Texas Womans University. Denton, TX | 2022 - Present

Learning and furthering my understanding on child life at a graduate level through a ACLP Program

BACHELORS OF SCIENCE

University of North Dakota. Grand Forks, ND | 2019 - 2021

Graduated with my Bachelor of Science in Rehabilitation Human Services with high academic standings. This degree covered many topics ranging from care of individuals with disabilities to education in helping fields such as therapists, counselors, and health care providers.
